**SB 1061 - HB 2082**

March 26, 2009

**SUMMARY OF BILL:** Requires Shelby County to include only the last four digits of a voter's social security number on the permanent registration record.

**ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures - \$28,200**

**Increase Local Expenditures - Exceeds \$100,000\***

Assumptions:

- New voter registration forms would have to be printed and distributed to Shelby County since additional information is required on the voter registration form.
- An estimated 500,000 voter registration forms would be required to be printed at a cost of \$56.40 per unit per thousand ( $\$56.40 \times 500 \text{ units} = \$28,200$ ).
- Shelby County currently includes all digits of a voter's social security number on the permanent registration record.
- As a result of this legislation, Shelby County will be required to implement these changes on all new paper and electronic registration records.
- Changes to paper forms and computer programming are estimated to increase local expenditures in an amount exceeding \$100,000.

*\*Article II, Section 24 of the Tennessee Constitution provides that: no law of general application shall impose increased expenditure requirements on cities or counties unless the General Assembly shall provide that the state share in the cost.*
